REQUEST FOR IN PERSON HEARING

IMPORTANT NOTICE: After consultation with the bench and bar of the Second Judicial District Court during and after the worldwide COVID 19 emergency, an administrative decision was made to conduct adult guardianship matters by alternative audio/visual means—usually Zoom—in most cases. Parties are always free to request an “in person hearing,” however, unless the Court facility is again closed during a future shutdown. Requesting an in person hearing in the courtroom simply requires additional scheduling with the Court and all parties.

I/We request that the hearing currently scheduled for *(date and time)* _____
 _____ on Zoom should be vacated. I/We request an in person hearing
 in the courtroom because *(briefly describe the reason you are requesting an in person hearing):*

I/We understand that if the request for an in person hearing is granted, then all parties to the case must appear in the courtroom for the in person hearing. This includes the Protected Person.

I/We understand that if the request for an in person hearing is granted, the current hearing date will be vacated and a new hearing set depending upon the Court’s availability.

I/We declare, under penalty of perjury under the law of the State of Nevada that the foregoing is true and correct.
